LEAD MANAGER CRM | LINK JavaScript , Node js , Express js , MongoDB , Postman , Git , Firebase

Lead Management:

Lead Tracking: Record and monitor potential student leads. Leads include prospective students who have shown interest in enrolling.

Fee Management:

Fee Records: Maintain records of student fees, including the amount, date of payment, and outstanding balances.

API Endpoints: Create API endpoints to handle operations like adding new students, recording leads, updating lead statuses, and managing fee payments.
